Sorry, not for us right now.

We read until the end!

Comment: Congratulations, your first twenty pages kept us interested! Your FREE Screenplay Scorecard is attached.

Thank you for your submission.

Title "Comedy Deluxe"
Submitted By Sam Johnson-Smith
Date Submitted January 1st, 2009
Reader ID ds291832

Sorry, not for us right now.

We read until the end!

Reason:

- Presentation not at a standard industry level.
- The first 20 pages didn't hold our interest.
- Concept or story unclear.
- Genre unclear.
- We already have a similar project in development.

Comment: The script opens in an interesting way, but then the story becomes too predictable and clichéd.

Thank you for your submission.
